

**RULES & REGULATIONS GOVERNING  
HUNTING OR MIGRATORY GAME BIRDS  
LOCATION & CONSTRUCTION OF DUCK BLINDS**

1. Hunting in the reservoir area will be permitted in accordance with Federal, State and Local laws for the protection of game and wildlife and in accordance with rules and regulations and restrictions prescribed herein for the protection and safety of city property, private property and the public in general.
2. Hunting for game and wildlife will be restricted to specifically designated areas and no waterfowl hunting from shore line will be permitted except from authorized blinds. Hunting will be permitted only in the areas designated by Property/Lake Administration. Use of decoys will be in conformance with Federal and State law.
3. Such hunting will be allowed with shotgun only, not to exceed 10 gauge, No. 2 maxim shot size.
4. Duck blinds will not be allowed to be placed on the shore line until you have obtained written permission from the landowner or lessee, Property/Lake Administration and have paid the \$50 permit fee.
5. Duck blinds are to be portable and floating and must be removed at the end of the hunting season. The use of steel barrels for flotation purposes is prohibited.
6. Seasonal permits will be issued to individuals for the approval to hunt and install a portable blind. Hunting for migratory waterfowl shall be done from this blind location only.
7. Duck blinds shall be allowed only in specifically designated areas and shall be 600 feet or more apart. Only one location shall be allotted to a person.
8. No boating or fishing or related activities shall be allowed within 600 feet of Duck Blind during Waterfowl Hunting Season. Duck blind areas shall be marked "Restricted."
9. Hunting permits shall be considered on an individual and merit basis only, and shall be renewable annually so long as all rules and regulations are complied with.
10. Permits will be checked by official personnel, and hunters without permits may be prosecuted for hunting without landowners consent.
11. Hunting parties shall be limited to four hunters per blind. All hunters must have obtained a permit prior to hunting.
12. All duck blinds must have name, address, phone number and date posted on the blind at all times.
